Hello, It's Me

Vikas Bind

And I'm a **W**

I'm a Full Stack Developer.

My first exposure to professional life through internship has benefited me mostly in strengthening my personal skills. I have developed a positive attitude and a strong sense of responsibility being innovative , resourceful, open and responsive to change. It has created in me an interest in lifelong learning.

Full Stack Developer!

I'm vikas Bind & I'm from Khargone. I'm an Diploma from Government polytechnic College shahjahanpur specialized in Computer Science. I've worked hard in my education & maintained a CGPA of 8. Along with my degree I've completed python, SQL and Full Stack Courses online. Now I'm ready to apply my knowledge into practice. Though I do not have any real life working experience, I've had a lot of exposure to the software field. My Goal is to build a successfull career as a Full Stack Developer. Moving forward in my career I hope to expand my experience across different industries. I'm a good learner and team player That's all about my self.
